

**Instructions for Shipping Your Magnum Canopy to us for Repack.**

DO NOT ship the rocket to us with your canopy. All expired rockets are returned to us AFTER you receive your replacement rocket, as the expired rockets must be returned to us in the specialized and DOT approved shipping container.

**This document contains THREE pages. Please read them all.**

**Softpack Systems:**

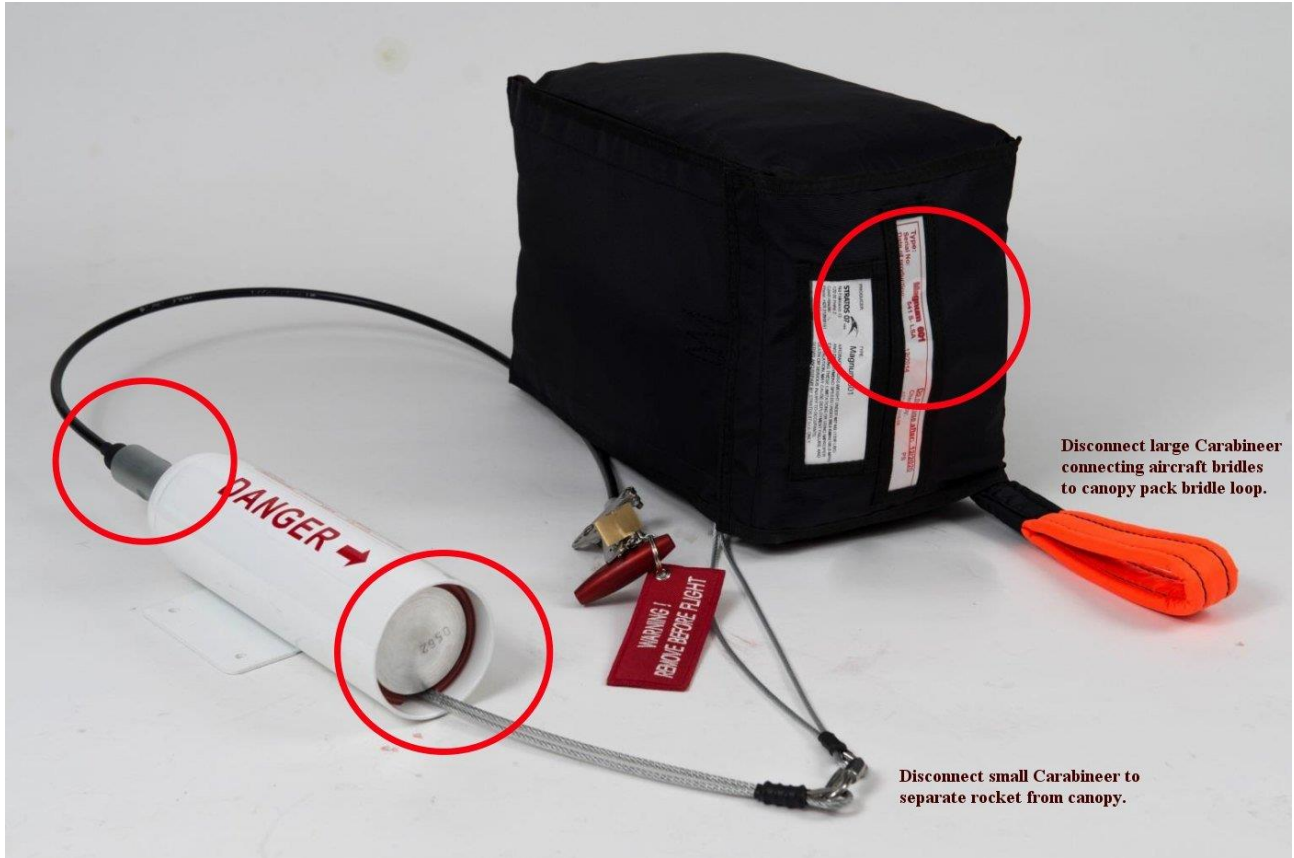

1. Disconnect the rocket assembly from the canopy pack at the small carabineer joining the stainless cables (see photo on Page 2).
2. Disconnect the aircraft bridle(s) from the canopy pack at the large carabineer (see photo on page 2).

Complete the Repack Information Sheet (see Page 3), and send it along with the canopy pack to us at the following address. DO NOT ship the rocket, bridles, carabineers, or any other components.

**Magnum Parachutes, LLC**  
**915 Biscayne Blvd.**  
**Hangar B**  
**DeLand, FL 32724**  
(386) 738-4444

Please also email us photos showing:

1. The data info on the canopy pack, clearly showing the serial number of the unit, and the date of manufacture. (See photo on Page 2, circled in red).
2. The serial number stamped into the end of the rocket motor. (See photo on Page 2, circled in red).

Disconnect large Carabiner connecting aircraft bridles to canopy pack bridle loop.

Disconnect small Carabiner to separate rocket from canopy.

DO NOT ship the rocket, bridles, carabiners, or any other components.
